8. Your health questions

Have you or **any dependant** in this application ever experienced, been treated for, or are you currently suffering from any of the following symptoms, conditions or disorders? We have listed some examples of conditions, symptoms or disorders under each question. These are only examples and not the full list of conditions, symptoms or disorders. Please include congenital abnormalities.

Please take note that if you have any symptom or condition not listed in the questions below, you should highlight and provide full details of this symptom or condition in response to question 8.18 below. Indication of existing medical conditions on this application does not automatically enroll you/your dependants onto the Scheme's Disease Management programme. If you want to access cover from the Chronic Illness Benefit, you must apply for it. You must complete a Chronic Illness Benefit application form with your doctor and submit it for review. If your doctor uses HealthID, your doctor can apply for cover online, provided you give your consent.

You need to meet the benefit entry criteria for your condition to be registered on the Chronic Illness Benefit. You or your doctor may need to provide certain test results or extra information to finalise your application.
