Who we are

LA Health Medical Scheme (referred to as 'the Scheme'), registration number 1145, is a non-profit organisation, registered with the Council for Medical Schemes. When completing this form, you are applying for a dependant to become a member of LA Health Medical Scheme. Discovery Health (Pty) Ltd (referred to as 'the administrator') is a separate company and an authorised financial services provider (registrationnumber 1997/013480/07). We take care of the administration of your membership for the Scheme.

How to complete this form

1. Please use one letter per block, complete with black ink and print clearly.
2. Please email the completed and signed form with any supporting documentation to application@discovery.co.za or fax it to 011 539 2331.
3. Provision is made in this form for you and your dependants to provide information relating to your race. This information is required by the Council for Medical Scheme for statistical purposes only. You are not compelled to provide this information.

When you sign this application, you confirm that you have read and understood the rules for membership and agree to them.

Please note: All newborn babies must be registered with LA Health Medical Scheme within 60 days of birth. For us to accept your newborn baby without any conditions, you must register your newborn baby within 60 days of his or her birth and cover must start from the date of birth. If you do not register your baby from the day he or she is born, you have to pay backdated contributions.

If you are applying after 60 days from birth of your newborn baby or you want the cover to start on any other day after the date of birth, we may apply certain conditions to your baby's membership with the Scheme. You will need to complete a different application form called an "LA Health additional dependant application form".
