Who we are

LA Health Medical Scheme (referred to as 'the Scheme'), registration number 1145, is a non-profit organisation, registered with the Council for Medical Schemes.

Discovery Health (Pty) Ltd (referred to as 'the administrator') administers the Scheme. Discovery Health (Pty) Ltd (registration number 1997/013480/07) is a registered financial services provider.

What is an additional benefit?

It is a discretionary consideration, which is only made if the Scheme believes an exceptional situation exists that warrants payment in excess of the stated benefits. An additional benefit is not a benefit that the Scheme has to offer, nor is it guaranteed that your request for additional benefits will be approved.

How are additional benefits decisions made?

The Scheme reviews the additional benefits application, which should be completed by the member asking for consideration. Only applications with complete information can be reviewed. It is your responsibility to make sure that all the information we ask for is on the application form, and attached to it.

What happens if my application is declined?

As additional benefits are discretionary, the Scheme may decline any application without affecting its own rights in any way.

The Scheme's decisions are final and can't be disputed or appealed against. Any additional benefits allocation is not meant to replace or supplement the available registered benefits.

How do you apply for additional benefits?

The application form and all attachments need to be completed in full, attaching all the relevant information. Fax the completed form and attachments to **011 539 2239** or email them to EX_GRATIA@lahealthms.co.za
