## HOW TO JOIN THE DIABETES CARDIOMETABOLIC CARE PROGRAMME

Through the programme, you and your doctor (who must be on our network) can:

- Agree on key goals
- Track your progress on a personalised dashboard on HealthID (a system for doctors)
- Generate your Diabetes Management Score to help identify which areas to focus on to stabilise your condition and improve your overall health.

**If you visit a doctor who is not part of the Premier Plus Network for a chronic condition, you may have to pay part of the cost.** To avoid any co-payments, please make use of the services of a network doctor and make sure we always know who your network doctor is. Let us know if anything changes so we can update our records.

To update your doctor on our system:

- Call 0860 444 439
