Claiming for medical expenses after a road accident

Payment of accident related medical expenses

If you're involved in a motor vehicle accident, LA Health Medical Scheme will pay for your accident-related healthcare expenses in accordance with the rules of the Scheme and the benefits of your selected Option.

If you lodge a claim with the Road Accident Fund, you must include details of any accident-related medical expenses paid for by the Scheme, which will be provided to you or your attorney. If the Road Accident Fund pays for medical expenses which were previously paid by the Scheme, the Scheme must be reimbursed with the amounts paid by the Road Accident Fund.

Inform LA Health Medical Scheme about the accident

You must inform the Scheme about the accident as soon as possible.

We will refer you to a preferred attorney who will assist you with your claim against the Road Accident Fund. You may, make use of your own attorney if you want to.

If you use one of the approved attorneys, they will assess your accident at no cost to you to determine whether you have a valid claim. If you choose to use your own attorney, please ask your attorney to contact us so we can assist them with your accident-related accounts and any fee related queries which they may have.

Additional benefits of claiming from the Road Accident Fund

You may be able to claim from the Road Accident Fund if you or your family member(s) were in an accident as a driver, passenger, cyclist or pedestrian.

If your claim against the Road Accident Fund is successful, you may receive payment for past and future loss of earnings, reimbursement for past and future medical expenses paid by yourself, reimbursement for past and future medical expenses paid by the Scheme (to be refunded to the Scheme), loss of support for your dependants and disability payment for injuries that are classified as 'Serious' by the Road Accident Fund in terms of the Road Accident Fund Act.

Once we receive the refund for medical expenses paid by the Scheme, the payment will be allocated to your Medical Savings Account/out of hospital benefit (if applicable) and/or the Scheme's risk pool.
