LA KeyPlus Dental medicine list (formulary) 2023

- This medicine list (formulary) contains medicine for acute (short term) use only
- We have set the quantity of medicine for each medicine sub-category (medicine with similar therapeutic effects) according to a specified number of days. For example, a member can claim up to a maximum of 30 Moxymax 250mg capsules once every 120 days or 200ml Augmaxcil S suspension once every 120 days.
- **Please note:** You may prescribe only one medicine from each medicine sub-category in the specified time period. For example, you may not prescribe Disprin and Paracetamol within 120 days of each other because both medicine are in the same medicine sub-category.
