

2022 LA Core

ABOUT THIS BENEFIT OPTION

REASONS WHY THE LA CORE OPTION IS THE BEST CHOICE FOR YOU

This Option has a Major Medical Benefit for all in-hospital and large expenses. It provides cover for medicine for Chronic Disease List conditions that form part of the Prescribed Minimum Benefits, as well as for several additional chronic conditions. It pays for day-to-day expenses from a Medical Savings Account, with additional cover for specific disciplines through Extended Day-to-day Benefits (for GPs, specialists, dentists, acute medicine, radiology, pathology and optical benefits only). All planned procedures must be preauthorised.

Prescribed Minimum Benefits

Prescribed Minimum Benefits are paid at cost, subject to clinical criteria. If you go to a KeyCare Network Hospital, the Scheme's Designated Service Provider for Prescribed Minimum Benefits, or a Specialist in the KeyCare hospital or a Discovery Health Network GP or a Premier A or Premier B Specialist admits you, we will pay all claims related to the authorised procedure or treatment in full, even if some of the other providers treating you are not Designated Service Providers.

If you do not go to a KeyCare Network Hospital and/or your admitting GP or Specialist is not a DSP provider, the Scheme will pay the PMB claims up to the LA Health Rate only.

Out-of-hospital Prescribed Minimum Benefits are paid in full, subject to the use of the Scheme's Designated Service Providers, or at cost when there are no Designated Service Providers.

Non-PMB Benefits are paid up to 100% of the LA Health Rate, subject to clinical criteria, the use of the Scheme's Network providers and applicable limits.

We cover you in an emergency

LA Core covers you for emergency medical transport. We pay for this service from the Major Medical Benefit and there is no overall limit. Call Discovery 911 for authorisation.

Cover for GPs and specialists in and out of hospital

To have your Prescribed Minimum Benefit claims paid in full when you are in hospital, the Specialist or GP who admits you must be on the Scheme's Network. When you're admitted to a hospital, there is no overall limit that applies to GP and specialist visits. We pay up to 100% of the LA Health Rate from the Major Medical Benefit.

We pay for out-of-hospital GP and specialist visits from the Medical Savings Account or the Extended Day-to-day Benefit.

We cover you when you have to be admitted to hospital

Hospitalisation, theatre fees and costs for intensive and high care at private hospitals have no overall limit, but you must obtain preauthorisation from the Scheme for any planned procedures. You will have a deductible (upfront payment) if you do not preauthorise your planned treatment). We pay these costs from the Major Medical Benefit up to 100% of the LA Health Rate.

You can enjoy the best of care during your pregnancy

No overall limit applies when you're admitted to hospital as long as you get preauthorisation for the admission. We pay certain out-of-hospital benefits for the mother and baby from the Major Medical Benefit, if the mother registers on the Scheme's Maternity Programme. If not registered, all pregnancy-related benefits will be paid from the available benefits in the Medical Savings Account or Extended Day-to-day Benefit.

Cover for chronic and acute medicine

You have medicine cover for all approved Prescribed Minimum Benefit Chronic Disease List conditions, paid in full from the Major Medical Benefit up to the LA Health Medicine Rate for listed medicine. Medicine that is not on the medicine list is paid up to a Chronic Drug Amount.

Medicine, for approved Additional Disease List conditions, is paid up to a Chronic Drug Amount up to an annual limit. This is up to a specific amount based on your family size.

Prescribed, acute medicine on the preferred list are paid from the available funds in your Medical Savings Account, or from the Extended Day-to-day Benefit at 100% of the LA Health Rate for medicine and those on the non-preferred list are paid at 90% of the LA Health Rate for medicine.

You also have cover for over-the-counter (schedule 0, 1 and 2) medicine bought at a pharmacy at 100% of the cost from the available funds in your Medical Savings Account or from the Extended Day-to-day Benefit. A sub-

limit applies when certain unscheduled supplements are purchased as OTCs.

When you are discharged from hospital after an admission, we pay for take-home medicine from the available funds in your Medical Savings Account or from the Extended Day-to-day Benefit at 100% of the LA Health Rate for medicine on the preferred list and at 90% for medicine on the non-preferred list.

The Scheme pays for the completion of the Chronic Illness Benefit application form by your provider, if the condition is approved.

We pay for certain preventive screening tests or vaccines

The Major Medical Benefit provides cover for:

- A screening test (to check your blood glucose, blood pressure, cholesterol and body mass index), or a flu vaccination at one of the Scheme's designated service providers or a network pharmacy. We also pay for additional screening tests if you are older than 65 years and certain screening tests for children.

- One specific pneumococcal vaccination in a beneficiary's lifetime for qualifying members.
- Pap smears, mammograms or prostate-specific antigen tests and certain colo-rectal cancer screenings, subject to clinical criteria.

We pay for the consultation and other related costs from your Medical Savings Account. If these are needed as part of Prescribed Minimum Benefit, we pay the costs from the Major Medical Benefit.

We pay these costs from the Major Medical Benefit up to 100% of the LA Health Rate.

World Health Organisation (WHO) Outbreak Benefit

The Scheme pays Prescribed Minimum Benefits for your treatment and care that is related to the COVID-19 pandemic. This includes benefits for vaccinations and the treatment and care of long COVID-19. Benefits are subject to clinical criteria and the use of the services of the Scheme's Designated Service Providers.
