LA Focus

REASONS WHY THE LA FOCUS OPTION IS THE BEST FOR YOU

This Option has a Major Medical Benefit for all in-hospital and large expenses. It provides cover for medicine for Chronic Disease List conditions that form part of the Prescribed Minimum Benefits. We pay for basic dentistry services, obtained from one of the Scheme's network dentists, from the Major Medical Benefit. Other Day-to-day Benefits, and basic dentistry services obtained from non-network providers, are covered from the Medical Savings Account. Day-to-day expenses are paid from a Medical Savings Account.

IN HOSPITAL

You must preauthorise your in-hospital treatment or care

IF THE TREATMENT OR CARE IS A PRESCRIBED MINIMUM BENEFIT (PMB)

IF THE TREATMENT OR CARE IS NOT A PRESCRIBED MINIMUM BENEFIT (PMB)

For all non-Prescribed Minimum Benefit care, you must go to a LA Focus network hospital. These are all hospitals in a province with a coastline and specific hospitals in the remaining South African provinces. When you're admitted to a hospital, there is no overall limit that applies for the hospital, GP/Specialist visits and other associated costs. We pay the network hospital and other claims up to 100% of the LA Health Rate from the Major Medical Benefit.

If you do not use the services of one of these network hospitals for planned procedures, you will have to pay a portion of the costs from your own pocket (a deductible).

WE COVER CERTAIN PROCEDURES AT DAY SURGERY FACILITIES

You must preauthorise your day surgery treatment or care

Certain procedures are covered in full when you have the treatment at a Day Surgery facility in the Scheme's Network. If not, a deductible will apply. You will have to pay the deductible to the provider.

You can find the list of Day Surgery procedures on www.lahealth.co.za. We will also tell you about this when you preauthorise the procedure.

WHAT WE DO NOT COVER (EXCLUSIONS)

CERTAIN TYPES OF TREATMENTS AND PROCEDURES

- Cosmetic procedures, for example, otoplasty for jug ears; portwine stains; blepharoplasty (eyelid surgery); keloid scars; hair removal; nasal reconstruction (including septoplasties, osteotomies and nasal tip surgery) and healthcare services related to gender reassignment
- Breast reductions and implants
- Treatment for obesity
- Treatment for infertility, subject to Prescribed Minimum Benefits
- Frail care
- Experimental, unproven or unregistered treatment or practices.

CERTAIN COSTS

- Costs of search and rescue
- Any costs that another party is legally responsible for
- Facility fees at casualty facilities (these are administration fees that are charged directly by the hospital or other casualty facility).

THE PURCHASE OF THE FOLLOWING, UNLESS PRESCRIBED

- Applicators, toiletries and beauty preparations
- bandages, cotton wool and other consumable items
- patented foods, including baby foods
- tonics, slimming preparations and drugs
- household and other biochemical remedies
- anabolic steroids
- sunscreen agents.

Unless otherwise decided by the Scheme, benefits in respect of these items, on prescription, are limited to one month's supply for each prescription or repeat thereof.

ALWAYS CHECK WITH US

Please contact us if you have one of the conditions we exclude so we can let you know if there is any cover. In some cases, you might be covered for these conditions if they are part of Prescribed Minimum Benefits.
