LA HEALTH WORKS WITH BROKERS WHO CAN HELP YOU CHOOSE THE RIGHT BENEFIT OPTION FOR YOU AND YOUR FAMILY

Our brokers understand how LA Health and our benefits work. Your broker will help you choose a benefit option that you can afford and that pays for the medical treatment you and your family are likely to need. They can also tell you what you need to do to use your benefits and how your benefits change each year.

LA Health brokers help you understand and get the most out of your LA Health membership.

They not only help new members join the Scheme, but also help existing members with questions about their benefits and with using their benefits. They help you manage your Scheme membership, for example, adding or removing dependants from your membership.

If you want to use an LA Health broker, please sign a broker appointment form. Signing this form gives them access to your medical information.
