

Download the  Discovery app onto your iPhone from the App Store.

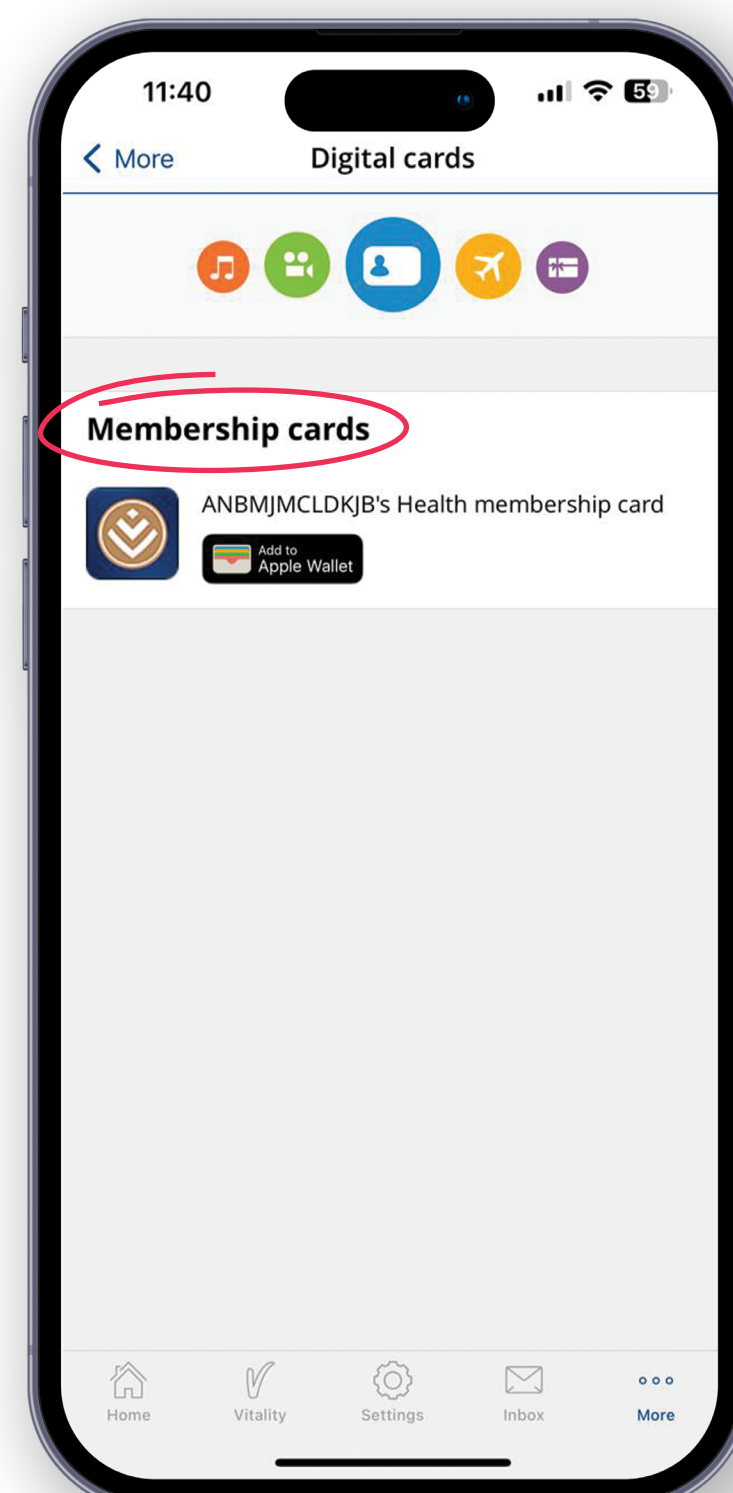

Download the
Discovery App here

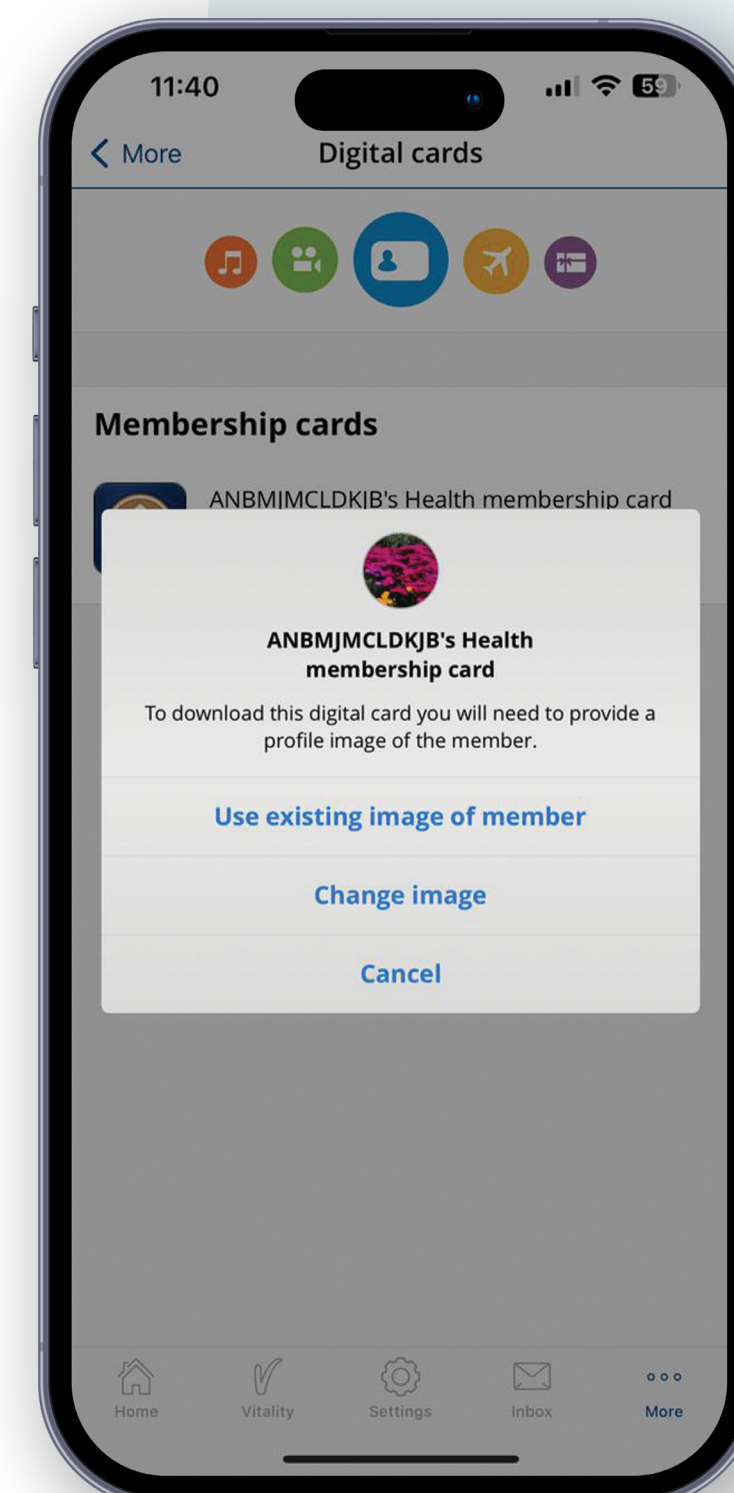

01

Once registered, the app will open on the home screen. Click on **"More"**

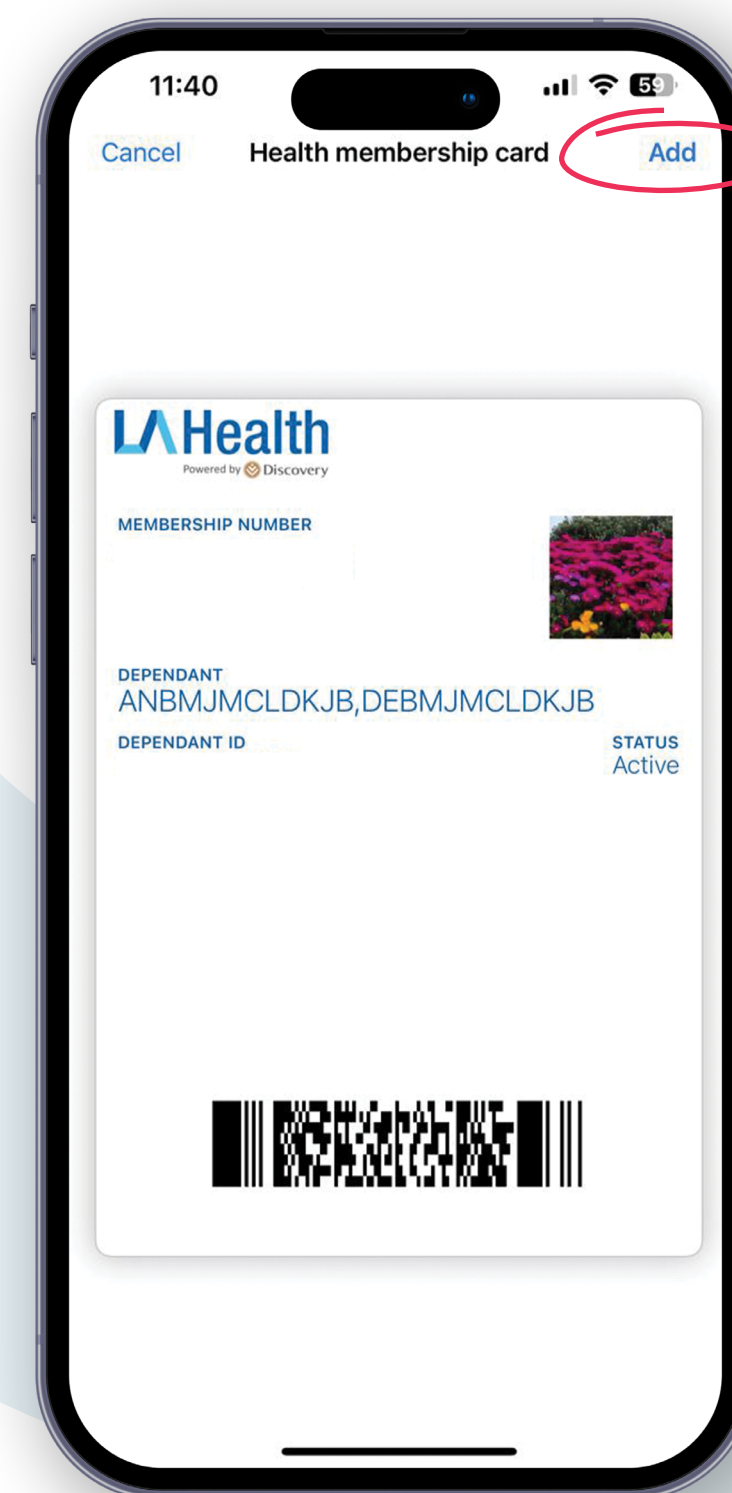

02

Click on **"Membership cards"**

03

A pop-up will ask you to add a photo – if you don't want to do this you can click **"Use existing image"** to continue with the photo that is there, or you can update your photo with a new one. You can also ignore this pop-up by clicking **"Cancel"**

04

You can now save your digital card into your Apple Wallet.
